Please review the attached draft of a uniform non-disclosure agreement proposed for utilization in connection with the APEX special access control system. Provide comments to OS/PPG by COB 22 Feb 80.

6-7. The proposed form is ludicrous! The Center would never use it for the high level briefing we must conduct on Capitol Hill, White House & non-NFIB agencies. It might have been written for an 8 year old's comprehension but it is insulting to try to foist it on the community.
